Ideation Phase
Brainstorm & Idea Prioritization

Date	22 September 2026
Team ID	
Project Name	An employee requests installation of licensed software through the service catalog
Maximum Marks	4 Marks

Brainstorm & Idea Prioritization :

Employees need a simple and centralized way to request licensed software required for their work. The current request and approval process can involve manual communication, making it difficult to track approvals, assignments, and installation status.

Step-1: Team Gathering, Collaboration and Select the Problem Statement

Step-2: Brainstorm, Idea Listing and Grouping

Step-3: Idea Prioritization
